Preface And Testament

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

GOD of my understanding,
Thank You for permitting me
to do what I was born to do.

Help me to be good.

Help me to be worthy.

Help me to be wise.

Amen

To you who read this:

You are with me as I write.

I am with you as you read.

I feel you.

I pray for you.

Through GOD you can feel me.

Time and distance do not matter.

Through GOD we are One.

In GOD it is always Now.

Please take time, as you read this and always,
to connect to GOD, to your heart, to the center of your soul;
through breathing, being, stillness, silence, and natural things;
through that which is life-affirming, timeless, and universal;
especially if the world that you are in or your own personal life
is moving and changing at a rapid pace.

Seek to cultivate beauty in The Garden Of Awareness.

Relax.

Take a long, slow, deep breath.

Hold it for a moment.

Relax even more.

Let it out.

Let go of everything that is keeping you from just being here now.

Ask GOD to take it from you.

Gather up your being, your life energy, your awareness.

Place your attention and your energy in your heart.

Ask GOD for the grace of feeling GOD's Presence, for the gift of closeness to GOD.

Let your mind be still.

Let your heart be gathered up by GOD.

Be here now.

Be with GOD.

May GOD Who guided you to this Holy Book open your heart and your eyes that you might see.

There is so much that I want to say to you, but very few things that I should. The search for meaning and realization must be one's own. So much cannot, should not, be put into words. May your heart know. May your own life show you.

This book is a reminder of the constant, unchanging, and eternal truths contained within the original message and heart of all religions.

It transcends the tribal and cultural limitations of religion and mythology.

It is short, simple, direct, and straight-forward.

It is stripped-down and real.

It is accessible, distilled to its bare essence.

It is for those who have hungered for truth spoken in plain language.

It is a call for the sleepers to awaken and return to GOD.

Hidden within it is a glimpse of the Universal Truths, Laws, and Principles Of GOD. They are divinely coded within the spiritual matrix of the Multiverse. These fundamental Laws Of GOD underlie energetic consciousness, guide the evolution of sentient consciousness, and uphold reality. They govern with absolute power and operate in every age and in every world.

Love it or hate it, we all live within these laws and boundaries, and no one can exceed the limits without suffering the consequences.

Simple obedience to religious moral tradition, ancient social convention, or human law fails to satisfy the need to know personally and directly.

It is only by living life with conscious purpose, presence, and awareness that we are able to realize the truth within ourselves.

It is only through forgetting GOD, falling out of awareness, and making mistakes that we are able to learn and grow. Humans are proud. Sometimes we must be humbled, must be hurt and broken, must suffer devastating loss, before we are ready to surrender our own ego, ideas, and preconceptions to GOD; before we are ready to remember GOD, to seek GOD, and to return to GOD.

I know because it happened to me.

GOD chose to save me.

GOD touched my heart and changed it.

GOD guided me out of hell and into light.

The Message Of GOD And The Prayer Of The Faithful flowed out of that journey.

May many messages of GOD and many faithful prayers flow out of yours.

This Preface frames the book, providing context and greater meaning.

It is my first, last, and only personal testament to this New Age and the ages to come.

Before this goes any further, gets any bigger, and The Message Of GOD And The Prayer Of The Faithful spreads to anyone else, I want to make a few things clear:

This book is a pure and selfless offering made with no expectations and no strings attached.

I have given it to the world and now my work is finished.

I am retired.

I will not publish any more books under this pen-name.

I repeat: There will not be another book.

Do not accept another book from anyone claiming to be me.

This is the definitive, authorized edition of the only book that I will ever write as A Servant And Messenger Of GOD.

The Message Of GOD And The Prayer Of The Faithful is written in English, the common planetary language at the time and place of its original revelation and publication.

There are no authorized translations. The only true and authorized version of this book, The Message Of GOD And The Prayer Of The Faithful, is in English.

I do, however, recognize that it is the spiritual concepts and the Laws Of GOD which matter most. These must be freely and widely disseminated. I therefore hope that GOD causes the book to be spread to people of all languages. While the definitive edition of the original revelation is the one which I have published in the English language, I pray GOD works to create its reflection in all the languages of this world and every other.

Everything that I was given to say is in this one book. The rest is up to GOD and up to you. True healing is a gift from GOD. It comes from Remembering GOD in every moment.

If you seek healing, then Remember GOD in every moment and pray constantly.

If it is knowledge and realization that you are looking for, then strive to be more conscious and aware, seek out the questions and hold them in your heart, and GOD will help you live your way into the answers.

Resolve that you will not accept the statements in this book, or in any book, written by any person, no matter who they say they are, no matter what they claim, on faith alone.

Hold what you read, here, now, and always, for consideration in your own life and make up your own mind. Put everything to the test. Save your faith for GOD.

Through GOD's Grace you will be selected, connected, directed, protected, and perfected.

Through GOD's Grace and through GOD's Guidance your life will be healed and transformed.

You will know what it is to feel loved, guided, and upheld.

Have faith in GOD. GOD will add faith to faith and certainty to certainty. This transformation will come through your own prayer and effort, but GOD will guide you directly through your own new awareness and GOD will use your own life to instruct you. It will be through a pathless path of direct inner guidance beyond what people call conscience and intuitive instruction beyond what people call instinct. Pray to understand the signs in the farthest horizons and in yourself so that you might see; so that through your seeing GOD might protect you from the dangers without and the dangers within.

I try to live a quiet and unobtrusive life. I am a very private person. I do not want money or compensation. The Message Of GOD And The Prayer Of The Faithful is given away for free and I will never charge for it. Beware of anyone who does. I do not seek fame, recognition, attention, or any kind of acknowledgment. I am not trying to build a movement, launch a revolution, or start a religion. Beware of anyone who does.

This book has to be permitted to stand on its own merits and to do what it is supposed to do, directly, without my help or interference, through the personal intervention of GOD's Grace and Guidance in the life of each and every individual reader. This book is part of a continual, never-ending, self-sustaining, evolution and transformation of consciousness.

This transformation did not begin with me and it will not end with me. It is not dependent on me or on my active participation. Any graces which flow from The Message Of GOD And The Prayer Of The Faithful come from GOD directly. It is impossible for anyone to co-opt them, interfere with them, or stop them. How can anyone stop a feeling, lock-up a realization, suppress a way of seeing, or exterminate a way of being? How can anyone stop GOD from reaching a person directly, from teaching a person directly, through The Book Of The Heart at the center of their own soul?

I sincerely pray that I live a long, peaceful, normal, and uneventful life. If I had not received The Message Of GOD And The Prayer Of The Faithful, you would not have heard from me. I am not claiming any special status. In the end we are all, if we but acknowledge it by remembering GOD and walking with GOD, servants and messengers of GOD.

My only ambition is to be left alone to live a simple and, GOD Willing, holy life dedicated to solitary prayer and Remembrance of GOD. I hope that the anonymity of my pen-name is respected. I honestly desire that when my time on Earth is finished, my true identity will remain unsought and unknown.

The focus should be on GOD's Message. Please do not look for me. I am unimportant. Look for GOD in your own heart. What happens in your heart and in your life are all that matters.

If you should ever think of me and wish to thank me, then please pray for me, please share The Message Of GOD And The Prayer Of The Faithful with others, and please be a servant and messenger of GOD in your own life.

A world hungry for messiahs does not need a messiah.

The world needs billions of enlightened souls manifesting GOD's wisdom, guidance, and grace.

Be one.

A Reader's Guide

The Message Of GOD And The Prayer Of The Faithful may be read and used in its entirety or in its individual parts.

Many readers receive inspiration and encouragement from using individual verses as affirmations hung on the wall or written on a note-card and carried.

This book is brief and to-the-point. I strongly recommend that first-time readers set aside a sacred space and private time so that they may read the book all the way through, undistracted and undisturbed, in one sitting.

While the overall impact of the book is inspirational, positive, and uplifting, several early chapters may seem severe. It is vital that one continue with the reading even if, especially if, it triggers a strong reaction.

This book, when taken as a whole, shifts consciousness, magnifies awareness, and increases understanding. It is important to reach the end while keeping an open mind. Otherwise you might miss the blessing and the point.

The power, blessing, and grace contained within The Message Of GOD And The Prayer Of The Faithful are magnified by reading the book out loud to oneself or others.

Reading the book out loud draws the angels and the direct assistance of GOD.

Reading the book out loud is a safe and reliable way for anyone to cleanse their home and their person of negative energy. The Faithful and The Refuge, two Chapters of The Message Of GOD, and the final section of The Prayer Of The Faithful entitled The Prayers Of Remembrance, are effective for healing families, bringing peace to the souls of the deceased, settling life debt, and balancing spiritual accounts.

A Few Notes On Exorcism:

It is a blessing to be given the gift of exorcism, but it is also a burden.
It carries its own cost to the exorcist. One does not choose to become an exorcist.
One is called to it. Some are forced into it. Do not seek it. If GOD wants you to be an exorcist, it will seek you. Exorcism is not a thing to be played with.

The sections of the book listed above have been tested in cleansing and exorcism.

They are effective in minor cases.

The tools of cleansing and exorcism are given in The Safeguard.

Major exorcisms require a full reading of the ten chapters of The Message Of GOD, with the exception of The Declaration Of A Servant And Messenger Of GOD contained at the end of Chapter Ten, The Safeguard.

The Refuge Of A Messenger In Exorcism is a powerful tool when used by itself. Its power and effectiveness are greatly magnified when it is used in combination with fasting and additional prayer.

The most serious cases require a time of unceasing Remembrance Of GOD, fasting, and perpetual prayer. It is advisable that such cases are handled by a team of trained professionals. The team should be large enough to permit its members to take turns resting.

Major exorcisms are unpredictable, may be extremely dangerous, and are potentially, at the very least, life-threatening. They are perilous to everyone concerned when the exorcist is a reckless and unseasoned novice. When in doubt, do not dabble. Do the smart thing and call in a professional exorcist.

Remember: GOD is The Exorcist. Humans only say prayers. Exorcism is a healing grace of liberation and restoration which flows from GOD and depends on GOD. Turn to GOD, trust in GOD, have faith in GOD, and pray.

A Few Final Words:

Even though it changed me during the time in which it came through, and continues to power my spiritual evolution as I work daily with its material, I have never wanted to believe that I was sent this book for my personal use alone. It belongs to everyone. I made a promise to GOD that I would give it away, for free, to as many people as possible.

This publication marks a promise kept.

This day I have fulfilled my commission.

May this book become part of our planetary heritage.

May GOD send angels to guide those who GOD pleases to this book and to GOD.

THE MESSAGE OF GOD

Chapter One:
The Correction

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

The devil attacks humans
when they least expect it,
especially during prayer;
and humans must guard
against evil.

The Angels, too,
guard prayer;
and GOD The All-Knowing
Knows what is in the heart.

GOD is The Pardoner
and GOD is The Forgiver.
GOD is All-Forgiving;
Ever-Forgiving;
Ever-Merciful;
and GOD pardons humans
when the devil distracts them
and they misspeak.

The Recording Angels
note the Intent
and correct the words;
and GOD is The Protector;
The Avenger
who seeks Justice
on our behalf;
and GOD is The Mighty,
The Wise;
so resist the devil
and it will flee from you;
and to GOD The Reckoner
is The Reckoning
and The Recompense.

The devil tries
to trick humans
into saying there is nothing
when there is
nothing but GOD;
so always be on guard
against evil;
and resist the devil
and it will flee from you;
and GOD The Compeller
is The Exorcist;
The Cleanser;
The Constrictor;
The Restrainer;
The Abaser;
The Avenger.

The devil tricks humans
into believing there is no GOD
and there is no devil,
and nothing beyond this life,
and humans,
believing it,
do not acknowledge
the devil's presence
or its games
and so do not defend
themselves
by Clinging To GOD
in Prayer And Remembrance;
and they are devastated.

The devil is ever The Rebel;
The Spiteful and The Malicious;
The Instigator and The Manipulator;
The Slanderer and The Accuser;
The Liar and The Deceiver;
The Obsessor and The Driver;
and an open enemy to humans;
but there is no god but GOD
and the devil will ever fail.

Chapter Two:
The Speaking

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

And the prayers
of Guided Ones
are especially protected,
and Guided Ones
speak to GOD
each in their own language;
such is GOD's Decree
for The People Of The Hour;
and whatever language
is spoken,
or no language at all,
GOD Knows
what is in the heart.

The heart has
its own language
and its own Book;
and GOD opens
The Book Of The Heart
to The Friends Of GOD
and instructs them directly;
perfecting them by degrees
and refining their hearts
until they see;
and GOD says, "Be!";
and they Are!

GOD will open
The Book Of The Heart
to The People Of The Hour;
and it shall complete
and supersede
all Books;
Blessed are
The People Of The Hour.

Guided Ones speak to GOD
from The Book Of The Heart,
each in their own language;
and Guided Ones read
from The Book Of The Heart;
and so should all humans;
that every tongue
shall be made holy;
and be perfected;
and be as the ancient tongues;
and that humans
might understand
what they say
when they are speaking
to their Maker.

GOD is The Sovereign Ruler
Of The Throne Of Power.

GOD is The Sovereign Ruler
Of The Throne Of Grace.

GOD is The Sovereign
Of Majesty And Bounty.

GOD is The Glorious;
The Unique;
The Incomparable;
The Subtle;
The Sublime;
The Watchful;
The Responsive;
The Generous;
The Nourisher.

GOD is The Manifestor;
The Opener;
The Expander;
The Evolver.

Surely it is GOD
Who creates first
and reproduces.

God is The Commissioner;
The Designer;
The Architect;
The Editor;
The Best Of Planners;
The Expeditor;
The Able;
Doer of what GOD Intends,
Who says: "Be!" and It Is.

GOD is The Best Ruler;
GOD is The Supreme Ruler
Of The Worlds;
The Creator And Sustainer
Of The Multiverse;
The First Cause
And The Final End;
GOD is everywhere
and every when;
There is nowhere
that GOD is not.

To GOD belongs the East
and to GOD belongs the West;
everywhere we turn
there is The Face Of GOD;
GOD is with us
everywhere we are
and GOD is The Seer
of what we do.

GOD is The Witness;
GOD is The Aware;
GOD is The All-Embracing;
GOD is The All-Knowing;
GOD is The Knower
Of The Unseen
and GOD is The Knower
Of The Seen.

To GOD belongs
everything in the Heavens
and everything in the Earth.

Whoever is in the Heavens
and the Earth
submits to GOD,
willingly or unwillingly,
and to GOD
they will be returned;
and GOD has not created
angels, spirits, and humans
except to serve GOD,
to know GOD,
to revere GOD,
and to love GOD.

GOD is The Wise;
The All-Aware;
GOD Knows
what is in the Heavens
and in the Earth.
Nothing in the Heavens
or in the Earth
is hidden from GOD.

GOD The All-Seeing
Sees Everything.

GOD The All-Hearing
Hears Everything.

GOD The Watchful
Witnesses All Things.

GOD created humans
and Knows what our minds
suggest to us;
and GOD is The Guide
nearer to us
than the vein in our neck.

GOD Knows what we hide
and what we manifest
and GOD is The Knower Of
What Is In The Heart.

GOD Knows what is before us.

GOD Knows what is behind us.

We hold nothing of
GOD's Knowledge
except what GOD pleases.

GOD's Knowledge extends over
the Heavens and the Earth.

GOD upholds and preserves
the Heavens and the Earth.

GOD never tires.

GOD never slumbers.

GOD never sleeps.

GOD causes the night
to pass into the day,
and GOD causes the day
to pass into the night,
and to GOD belongs
whatever dwells
in the night and the day.

GOD Knows
what is in the land.

GOD Knows
what is in the sea.

GOD Knows
every leaf that falls.

GOD Knows.

Chapter Four: The Humans

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

Surely GOD
is Full of Grace
to humans,
but most humans
are not thankful;
when GOD bestows favors
on humans
they turn away,
tight-fisted,
and behave proudly;
when evil afflicts them
they are fretful
and in despair;
and humans are ever hasty;
except those who pray,
who are constant
at their prayer,
sharing their wealth
with those in need.

Humans pray for evil
as they should
pray for good,
and the prayer
of the disbelievers
only goes astray
while the prayer
of The Faithful
accomplishes much.

Whoever goes straight
only helps their own soul
and whoever goes astray
only hurts their own soul.

No bearer of a burden
can bear the burden
of another.

We cannot guide
who we love
but GOD guides
who GOD pleases.

No bearer of a burden
can bear the burden
of another.

Everyone acts according
to their manner.

GOD Knows Best
who is best guided
on The Path
and GOD guides them.

The ones who
know GOD best
guard against evil
and shun those
who turn their backs
upon GOD's Reminder
and desire nothing
but this world's life;
leaving them alone
to plunge
into vain talk,
jesting,
and play.

Those who disbelieve
would almost
kill the believers
with their eyes
when they hear
The Reminder,
so The Faithful
leave those who
reject The Announcement
alone with GOD;
and GOD
will overtake
the disbelievers,
by degrees,
from a place
they will neither know
nor expect;
and GOD Is Relentless.

GOD is Swift In Reckoning
and calling people
to account
for what their hearts
have earned;
and GOD is Severe In Retribution.

No calamity falls
in the earth,
or in human selves,
but by GOD's permission.

Everything happens
for a reason.

And if GOD
were to destroy humans
for their iniquity,
GOD would not leave
a single creature,
but GOD is Full Of Mercy
to the Worlds,
and GOD gives them
a reprieve,
till an appointed time,
The Near Event,
when the matter is decided;
The Day Of Regret
when GOD's Command comes
and Judgment is given
with Truth.

Humans can have nothing
but what they strive for;
woe on that Day
to the deniers
who amuse themselves
by vain talk.

Disaster will not
cease to afflict
those who disbelieve,
because of what they do,
until The Promise Of GOD
comes to pass.

Such is GOD's Law;
which always takes
its course
in the matter
of GOD's Servants;
and according to GOD's Law,
the disbelievers,
and their works,
are lost;
for GOD The Just
Judges With Truth.

GOD The Judge
will destroy the works of
those who disbelieve
and turn humans
from GOD's Way.

GOD sends the devil
and its demons
against the disbelievers;
and the devil is
an open enemy to them;
and the devil tries to
lead them astray.

The devil manipulates
and cajoles
the disbelievers;
flattering them;
confusing them;
deluding them;
tricking them;
inciting them.

The devil inflates ego,
falsely accuses,
twists the truth,
magnifies slights,
harbors resentments,
nurses bitterness,
alienates affections,
separates friends
and lovers,
and breaks-up
families.

The devil feeds
phantom to phantom:
pride to pride;
selfishness to selfishness;
greed to greed;
envy to envy;
jealousy to jealousy.

The devil feeds
phantom to phantom:
anxiety to anxiety;
fear to fear;
sadness to sadness;
anguish to anguish;
despair to despair.

The devil feeds
phantom to phantom:
anger to anger;
hatred to hatred;
aggression to aggression;
violence to violence;
war to war.

The devil feeds
phantom to phantom:
infatuation to infatuation;
obsession to obsession;
addiction to addiction;
gluttony to gluttony;
lust to lust.

The devil and its demons
engage the mind
and the human
poisons its own heart,
pollutes its own soul,
and murders its own life.

The devil excites
the disbelievers
with vain desires,
embellishes illusion,
makes promises
only to deceive,
lengthens false hopes,
and bids them
alter GOD's Creation.

The disbelievers
serve the devil
and the devil
always deserts them.

Corruption has appeared
in the air,
on the land,
and in the sea,
and affliction
is combined with affliction,
because of what
human hands have done;
so that GOD may make
humans taste
a part of what
they have done;
and taste the touch of hell;
so that humans
may remember GOD;
and return to GOD;
and that GOD
might purge
what is in their hearts.

The idols
which humans
have built,
and worshiped
in place of GOD,
will always continue
to be a source of trouble
in their hearts,
unless their hearts
are broken,
torn to pieces,
and thereby opened;
hearts opened;
eyes opened;
and GOD is Knowing, Wise.

Humans are a single people,
as GOD created them,
but they choose to differ,
and they choose to think
of themselves as separate,
divided,
and GOD permits it.

GOD does not change
the condition of a people
until a people awakens
and changes its own condition,
turning to GOD
with sincere repentance
so hearts may be transformed;
and GOD guides
who GOD pleases
to The Right Path.

Chapter Five: The Forsaken

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

GOD Is The Forbearer.

GOD Is The Great Giver.

GOD Is The Guide.

GOD opens the heart of
whoever GOD intends to guide;
and GOD cleans
those who believe.

GOD Is The Distressor.

GOD Is The Delayer.

GOD Is The Preventor.

GOD closes the heart of
whoever GOD intends
to leave in error;
and GOD lays filth on
those who don't believe.

So GOD reveals
to the soul
its way of good
and its way of evil.

The one who causes
their heart and soul
to grow succeeds.

The one who buries
their heart and soul fails.

GOD Knows Best
who goes astray
from GOD's Way,
and GOD Knows Best
The Guided Ones;
surely it is GOD's choice
to show the way
and if GOD pleased,
GOD would guide all
to The Right Path.

GOD leaves in error
who GOD pleases.

GOD turns those
who are unjustly proud
on the earth
away from
GOD's Messages.

If they see every Sign
they will not believe in it;
if they see The Way Of Error
they take it for a path;
and the disbelievers
are nothing but deluded.

They reject The Truth
when it comes to them
so they are in
a state of confusion.

They are a people
who do not understand
so they cannot unite.

Their hearts are divided
because they are a people
who have no sense.

GOD turns away their hearts
because they are a people
who do not understand.

How many Signs
in the Heavens
and the Earth
do they pass by,
and yet they still
turn away from them?

This is because
they reject GOD's Messages
and are heedless of them.

Truly most people
are heedless of GOD's Signs;
and most humans
do not believe,
though they eagerly desire it.

GOD is Swift In Reckoning
with whoever disbelieves in
GOD's Messages.

GOD does not guide them
and on them is
a painful chastisement,
The Wrath Of GOD.

Evil is the abode of the proud;
and evil is the likeness
of the people who reject
GOD's Messages
and wrong their own souls;
who withdraw from
GOD's Messages,
so the devil follows them;
and makes them forget
The Remembrance Of GOD;
and they perish.

They forget GOD;
so GOD makes them
forget their own souls;
and these are
the trespassers
who exceed the limits.

They deviate;
so GOD makes
their hearts deviate;
and GOD does not guide
the trespassing people.

They have forsaken GOD,
so GOD has forsaken them;
and GOD curses them.

In their hearts is a disease,
so GOD increases their disease;
and GOD brings forth their spite.

Their hearts harden;
the devil makes
the evil of their deeds
attractive to them;
and their deeds
are fruitless.

They are a people
who exceed the limits;
and GOD does not help
those who exceed the limits.

GOD does not guide
the people who do not believe;
whose hearts
GOD does not
intend to purify;
and if GOD knew of
any good in them,
GOD would make them hear;
and GOD does not guide
the unjust,
The People Of The Lie.

GOD has sealed their hearts
and their hearing;
so they hear nothing,
know nothing,
understand nothing,
and they follow
their low desires.

GOD has set
a barrier behind them
and a barrier before them,
and there is a covering
on their eyes,
so they do not learn
from the past,
they do not anticipate
the future,
and they see nothing.

Evil is the dwelling place
of the proud.

Unless they turn to GOD,
and try to change,
GOD will not forgive
and GOD will not guide:

those who disbelieve in GOD,

those who believe humans
are self-sufficient,

those who reject the good,

those who hinder from GOD's Way,

those who are lazy,

those who waste time,

those who fornicate,

those who lie,

those who bear false witness,

those who cheat,

those who steal,

those who profit
from charging interest,

those who profit
from changing money,

those who profit
from speculation on
the tragedy of human hunger,
disease, and natural disaster,

those who pollute the Living Earth,

those who rape the Living Earth,

those who harm animals,

those who harm children,

those who harm the elderly,

those who rape,

those who torture,

those who murder,

those who act unjustly,

those who are corrupt,

those who oppress,

those who falsely judge,

those who falsely imprison,

those who falsely execute,

those who do not feed the hungry,

those who do not help the poor,

those who love money
and what they keep for themselves
more than they love people
and what they give to others;

until they turn to GOD,
and try to change,
GOD will neither forgive them
nor guide them.

They stubbornly persist
in disdain and aversion;
and GOD leads those
who reject GOD's Messages,
step by step,
to destruction.

GOD does not wrong them,
but they wrong themselves.

GOD turns them toward that
to which they themselves turn;
and they have no helper.

GOD does not guide
evil people;
and the one
who GOD leaves in error
has no guide,
no helper,
no friend,
in this world
or any other.

They make an alliance
with the devil;
and with every
selfish sin
they turn away from
GOD and good;
and they pledge
their allegiance to
The Evil One,
The Ancient Enemy Of Humans,
The Obsessor
and The Driver;
who takes them
out of light
and into darkness.

Chapter Six: The Flames

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

They are the companions
of the Fire;

they abide in Fire;

and contend with one another
in the Fire;

entering it in this world;

burned by it in this life;

the proud and the greedy;

the wicked and the weak;

pawns in the game,
waiting to be played,
and played;

cows in the stall,
waiting to be milked,
and milked;

cattle in the pen,
waiting to be slaughtered,
and slaughtered;

taking each other
even as they are taken;

using each other
even as they are used;

feeding on each other
even as they are fed upon;

draining each other
even as they are drained;

killing each other
even as they are killed.

First a glowing coal,
and then a shimmering
red Flame,
follows them;

drawn by
the odor of evil,
violence,
and perversity;

repelled by
the scent of goodness,
peace,
and holiness;

a visible parasite;

driving them,
obsessing them,
sometimes possessing them;

hovering over the foreheads
of the sleeping,
giving them bad dreams
and feeding on their distress;

clinging to them by day,
stalking, hiding, waiting;

whispering to them,
through a communion
and co-mingling
of energy and mind,

in voices sometimes
hiding behind
their own voice,

sounding like
their own voice
in their own head,

until they no longer know
which thoughts are
their own thoughts
and which thoughts
are the thoughts
of the devil
and its demons;

stealing their life
through a communion
of mind and energy,
as their passions
feed the demons
and their desires
fuel the Flames;

hounding them;

tricking them;

terrorizing them;

draining them
unto sickness;

and draining them
unto death;

until they poison
their own mind;

until they pollute
their own heart;

until they convict
their own soul.

The ones to who
GOD gives no light
have no light;
and for them
is disgrace
in this world
and a grievous
chastisement
in The Hereafter;
and such is The Penalty,
and such is The Prison,
for those who ignore
GOD's Signs
and turn away from
GOD's Messages.

Whoever is blind
in this world
will be blind
in The Hereafter,
further away
from The Path;
and they have
no protector
against GOD;
so do not obey Satan,
but bow down,
and draw near
to GOD.

Chapter Seven: The Faithful

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

GOD Is The Compassionate.

GOD Is The Healer.

GOD Is The Restorer.

GOD Is The Resurrector.

GOD Is The Guide To The Right Path.

GOD guides
those who follow
GOD's pleasure
into The Way Of Peace,
and brings them
out of darkness
and into light
by GOD's Will.

GOD guides
who GOD pleases,
when GOD pleases,
in the way
that GOD pleases.

GOD guides to GOD
those who turn to GOD.

GOD chooses them
and guides them
to The Right Path.

GOD guides the heart of
whoever believes in GOD.

GOD guides them
and improves their condition.

GOD removes
their evil
from them;
and through GOD
they purify the self;
and they are successful.

GOD increases the guidance
of those who follow guidance
and none can lead astray
the one who GOD guides.

GOD shows
GOD's Signs
so that The Faithful
shall recognize them,
observe their duty,
and be protected
from the dangers without
and the dangers within.

GOD makes clear
GOD's Messages
so that they
may understand
and give thanks.

GOD The Exalter
exalts who GOD pleases
and guides them
by degrees
into GOD's Ways;
and teaches them
GOD's Laws;
and this is how
GOD The Grateful
rewards those who
strive hard for GOD
and do good;
they will not be unhappy;
they will ascend
to one state after another;
and surely GOD is with
the doers of good.

GOD loves virtue;
GOD loves the good;
and GOD blesses them.

GOD adds
calm to calm
and peace to peace.

GOD is The Trusted;
The Protecting Friend;
The Best Helper;
The One Who Hears Prayer.

GOD is near to
the ones who call;
nearer to them than
the vein in the neck;
ready to answer
the prayers of The Faithful.

GOD The Trustworthy
strengthens
with GOD's aid
who GOD pleases;
and GOD Makes
The Believers
Firm Of Heart.

GOD lays no burden
on a soul
except to the extent
of its ability.

GOD imposes no duty
which a soul
cannot bear;
and the most noble
with GOD
is the most dutiful.

GOD is The Patron
of The Dutiful;
Who helps the one
who helps GOD;
and GOD is The Affirmer
Who Makes Feet Firm;
and GOD is The Truth
Who Removes All Fear.

GOD is Sufficient
for whoever
trusts in GOD;
and surely GOD attains
GOD's Purpose.

GOD will not be overcome;
but GOD,
and those with GOD,
will always overcome.

GOD loves the steadfast;
GOD loves those who try;
and GOD helps them;
but humans
must turn to GOD
and ask for help;
and humans
must turn to one another,
offering help
and asking for help;
for humans are not meant,
and were not created,
to live a life alone,
apart from GOD,
their Creator,
depending only
on themselves;
or to live a life
apart from each other
and The Creation
of GOD The One.

GOD The Finder
finds the lonely,
the sad,
the lost,
and the broken;
and GOD The Gatherer
gathers them together;
like unto like;
light unto light;
spirit unto spirit;
unto each other;
and unto GOD;
that they shall be
alone no more.

GOD ordains a way out
for whoever remembers GOD;
for whoever keeps
their duty to GOD;
and GOD gives them
sustenance
from a place
they cannot imagine;
and GOD gives them
assistance
from a place
they can neither see
nor anticipate;
and The Angels, too,
help them,
as do The Friends Of GOD
who encourage patience
and mercy.

GOD brings about ease
after difficulty;
and GOD makes easy
the affairs of
those who give to others;
and those who keep
their duty to GOD.

GOD doubles a good gift
and GOD grants a generous reward.

GOD gives love
and GOD makes fidelity easy.

GOD sends down
tranquility
into the hearts
of the believers
that they might
add faith to faith
and certainty to certainty;
and GOD Opens
hearts and minds
and eyes
that the sleepers
might awaken.

Guarded and assisted,
magnified and upheld,
by The Angels Of GOD,
Messengers,
Advocates,
and Guides,
the hearts of the believers
begin to warm;
glow;
ignite;
shining with
The Presence Of GOD;
and The Kingdom Of Heaven
is within them;
and they are in The Kingdom;
and The Garden Of Eternity
is within them;
and they are in The Garden;
in this moment
and ever after;
in this world
and every other.

GOD holds
the hearts and lives
of The Faithful,
The Friends Of GOD,
and GOD will not
drop them
or let them fall.

GOD is
The Loving,
Hearing,
Knowing,
Protecting,
Best Friend,
Forgiver Of Sin,
and Acceptor Of Repentance;
and to GOD is
the eventual coming.

GOD's we are
and to GOD
we shall return.

GOD brings those
who believe in GOD
and who lead pure lives,

who are steadfast
and who repel evil
with good,

who are thankful
and who spend freely
out of what GOD
has given them,

who feed the hungry
and help the poor,

who care for the sick
and the dying,

who visit the aged
and the imprisoned,

who instruct the ignorant
and the child,

who free the debtor
and the captive,

who speak truth
to power and people,

who defend themselves
and others,
by word and deed,
when they are oppressed,
or when great wrong
afflicts them,

who listen to The Word,
and The Message Of GOD,
and then follow
the best of it,

who keep up prayer,

who fast,

who wake by night
to pray and labor
for The Glory Of GOD,

who praise and glorify GOD
morning and evening,

who do not let
wealth or children,
commerce or merchandise,
idle talk or play,
divert them from
The Remembrance Of GOD,

and whose hearts find rest
in The Remembrance Of GOD
standing, sitting,
and lying down,

GOD brings them,
Humans Of Understanding,
Friends Of GOD,
The Faithful
who GOD guides,
GOD brings them
out of darkness
and into light;

light upon light;

peace upon peace;

rest upon rest.

Truly in GOD's Remembrance
do hearts find rest.

Chapter Eight: The Thoughts

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

Humans are held accountable
for the thoughts they think;
and their thoughts
are as binding
as the deeds they do;
and if they welcome Evil,
and invite It in,
and entertain It,
and make It a guest,
and sup with It,
there is often Sin
served as a meal;
but the passing thought,
GOD Knows when it is
of the devil;
and GOD is The Merciful,
The Forgiving;
and humans are not
held accountable
for the passing thought.

Chapter Nine: The Refuge

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

Let The Believers Say:

I / We seek and claim
refuge in GOD
The Supreme Ruler,

I / We seek and claim
refuge in GOD
The Subduer Of All,

I / We seek and claim
refuge in GOD
To Who All Must Submit,
willingly or unwillingly,
in this world
and in every other,

I / We seek and claim
refuge in GOD
from the evil of
Satan The Rebel,
The Cursed.

I / We seek and claim refuge
in GOD The Protector
from the demons
who whisper evil
into the minds of humans;
and from the humans
who think evil.

I / We seek and claim refuge
in GOD The Guardian
from the demons
who proclaim evil
through the tongue
and the pen of humans;
from the humans
who proclaim evil;
and from the evil
that is proclaimed.

I / We seek and claim refuge
in GOD The Restrainer,
refuge in GOD The Sanctuary,
refuge in GOD The Stronghold,
refuge in GOD The Safeguard,
refuge in GOD The Sure,
from the demons
who work evil
through the hands of humans;
from the humans
whose hands work evil;
and from the evil
that is worked.

I / We seek and claim refuge
in GOD The Creator,
refuge in GOD The Sustainer,
refuge in GOD The Preserver,
refuge in GOD The Evolver,
refuge in GOD The Guardian Of Faith,
from the evil abuse
of what GOD has created.

I / We seek and claim refuge
in GOD The Light,
refuge in GOD The Giver Of The Dawn,
from the evil of
intense darkness
when it comes.

I / We seek and claim refuge
in GOD The Abaser
from the evil of
the envier who envies.

I / We seek and claim refuge
in GOD The Afflicter
from the evil of
those whose evil thoughts
and evil eyes
wither, harm, and kill.

I / We seek and claim refuge
in GOD The Avenger
from the evil of
those who cast
evil suggestions
with firm resolution.

I / We seek and claim refuge
in GOD The Mighty One,
refuge in GOD The Most Holy One,
refuge in GOD The Most High,
from every darkness.

May GOD The Patron,
GOD The Helper,
GOD The Perfecter Of Humans,
send me / us every light.

Amen

Chapter Ten: The Safeguard

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

The devil is an open enemy
to humans
and the devil
tries to lead them astray.

The Name Of GOD,
The Remembrance Of GOD,
and prayer;

use of holy water
and olive oil;

use of sea salt,
cedar, and sage;

use of honey,
frankincense,
myrrh,
benzoin,
and dragon's blood;

use of tea tree oil;

use of bells and gongs,
chanting and singing;

sunlight and
the burning of lamps
and candles;

the living light
of laughter and love;

drive off the devil
and its demons;

and cleanse and bless
the bodies and minds and souls,
the lives and hearts and homes,
of The Friends Of GOD;

and The Angels
love The Friends
and draw near;

and the devil
and its demons
fear The Friends
and flee from them;

and GOD The Most High
is The Compeller;
The Restrainer;
The Protector;
The Sanctuary;
The Stronghold;
The Safeguard;
The Sure.

GOD,
The Observer Of Justice,
The Truth,
sends the devil
and its demons
against the disbelievers,
the sinners,
and the proud;
and so they
destroy themselves
and each other;
and their works
fall before their own pride,
by their own hands,
and, at The Command Of GOD,
by the hands of
GOD's Servants.

It is GOD The Victorious,
GOD The Greatest,
GOD The Majestic,
GOD The Exalter,
GOD The Expander,
GOD The Enricher
Who adds power to power
and strength to strength;
authority to authority
and dominion to dominion;
unto the hands of
GOD's Servants;
and the devil,
by GOD's Will,
has no power
over them.

GOD loves The Dutiful
and The Dutiful love GOD.

Let The Dutiful,
The Faithful,
the believing Friends Of GOD
claim their rightful refuge
in GOD and Say:

I / We claim refuge
under GOD's Seal;

refuge under GOD's Protection;

and GOD is The Sanctuary;

GOD is The Stronghold;

GOD is The Safeguard;

GOD is The Sure;

and I / we rest secure,
held in GOD's Light.

Amen

Let a Servant Of GOD,
a Guided One Of GOD,
a Messenger Of GOD,
an Advocate Of Humans
in prayer before
and unto GOD Say:

This is The Message Of GOD
and The Prayer Of The Faithful
as Revealed by GOD,
from GOD, through GOD,
with GOD, and in GOD,
in The Unity Of All Consciousness
and through The Spirit Of Guidance,
to an unworthy human messenger,
to a mind and heart and soul and life,
to a consciousness prepared by GOD
through sin, suffering, and loss,
through falling, fault, and failure,
to be open to GOD and Guidance,
for in each and every life
GOD writes straight
with crooked lines.

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth,
at GOD's Command
and by GOD's Grace,
for GOD's People
and for GOD's Cause,
I took up this pen.

Do not be surprised
that I am a Messenger Of GOD
and that I bring
GOD's Message.

GOD gives everybody Messages.

That's part of The Message.

So Remember GOD.

Pray.

Look inside your own heart.

Find GOD's Message to you.

A Servant And Messenger Of GOD

In The Name Of GOD,
The Loving, The Merciful,
The Observer Of Justice,
The Truth

I bear witness
that there is no god but GOD.

To GOD I submit
and unto GOD I return.

GOD is my god.

Love is my religion.

Life is my prayer.

Conversation is my sacrament.

I strive to remember GOD
at all times
and to worship GOD
in all things;
in my heart
and everywhere I am;
for GOD is present
wherever we go
and every place we stand
is Holy Ground.

I strive to make
every moment of my life,
every breath,
every glance,
every encounter,
every conversation,
every task,
a prayer to GOD
and a blessing to GOD's Creation.

When I pray to GOD
in formal words,
and approach GOD
in a time and space set apart
by a consecrated setting
and a ritual movement of
the body and the mind,
the heart and the soul,
I pray: The Prayer Of The Faithful -
A Call To GOD.

The Prayer Of Clemency

May GOD Have Mercy
on the Souls in Hell,
human and demon,
who dwell in this world
and the next.

GOD did not wrong them,
but they wronged themselves.

They placed themselves
in Hell
and separated themselves
from GOD
by turning away
in pride,
forgetting,
and going to sleep.

May they awaken,
remember,
and turn to GOD;
that GOD might
turn to them;
that they might submit
and return
at last
to GOD.

May GOD
Who Is All Merciful
send Holy Angels
to bring them
out of Hell
and into light;
and bring their hearts
to GOD and peace.

May GOD Who Is
The Executive
grant clemency
to any and all
who truly repent
and seek to
change their heart.

May GOD's Clemency
extend even unto
Satan The Rebel.

May GOD's Mercy
extend even into
the darkest depths of Hell,
that all shall be
as it was
in the beginning,
reconciled,
and made whole.

Amen

The Prayer Of Clemency may be used at any time. It is an appropriate selection when offering prayer at a grave-site or in a cemetery.
